White finishes fifth

Larry White of Appomattox ran his second race at South Boston Speedway Saturday night in the Lowe's 200 National Championship race.

White finished fifth in the 25-lap street stock race in his N.A.P.A.-sponsored number 77 Camaro, after starting ninth in the 15-car field.

White said "The track was super slick because there were a lot of blown engines during the three races. In turns one and two, all you could do was hold on and hope the car stayed where you wanted it."

White added that he and his crew "did what we went there to do, finish in the top five."

White noted that he traveled to South Boston the previous weekend, but a push rod blew in the car, and he was unable to race. I'll race three more times at South Boston, and if I can finish the races and get the experience I've gotten in the first two races, you can bet that we'll win our share of races next year," White added.

White thanked his Appomattox N.A.P.A. sponsor, which has supplied many of the parts used in the car, and Brammer Welding Supply Co., which has also supported White's racing efforts.

"And thanks also to the people from Appomattox who come out to watch the races," White concluded. "That really helps a new driver when he knows people come out to support him."

Tourney date nears

Sponsorships are still being solicited for the upcoming men's and women's Walter Hagan Benefit golf tournament, to be held Aug. 7 and 8 at Falling River Country Club.

Proceeds from the tournament will benefit the Appomattox County chapter of the American Cancer Society. Entry fees are $80 per foursome for men and $40 per foursome for women.

On the Friday preceeding the tournament, Gary Howard and Steve Webster will participate in a golf marathon, starting in the early morning and playing as long as daylight permits. The object of the exercise is to get in as many holes of golf as possible in the day. Sponsors will be sought to pledge various amounts per hole played.
